

Daily Consumables Contribution (Voluntary)

We want to be as transparent as possible about how we use contributions toward daily consumables. These charges are voluntary and are not a condition of accessing your child's funded nursery place.

The daily consumables charge helps cover the cost of essential items such as meals, snacks, nappies, wipes, sun cream, and enrichment activities such as trips outside the nursery and special visitors. However, you are welcome to **opt out** of this contribution.

If you would like to explore other options, please come and speak to a member of the team we're happy to work with you to find an alternative arrangement that suits your family.
