## What we did this Month

. Pancake Day 🥞

. World Book Day 📖

. St Patricks Day 🍀

. Ramadan 🌙

. Red Nose Day 🧢

. Mother's Day 🧑🏻

. Eid - Ul - Fitr 🌙

## Pancake Day

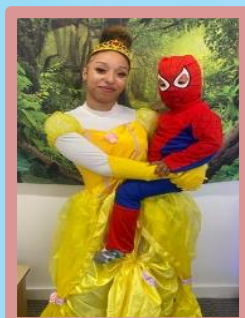

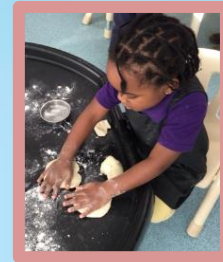

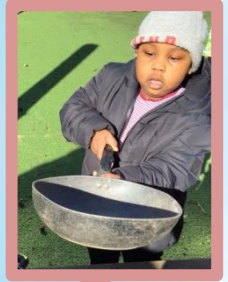

Our children had so much fun participating in a range of activities based around Pancake Day. We made our very own pancakes and decorated them with sprinkles and icing.

**Preschool** did great imaginative play by creating pretend pancakes out of play dough then tossing them into the air

**Our toddlers** enjoyed developing their fine motor skills by squishing and rolling their pancakes

**Babies** enjoyed mixing and stirring the batter, we did some good sharing and turn taking.

Then we welcome our Parents, and Carers into enjoy some yummy pancakes, fruit and refreshments for a stay a play. We had such a fun circle time as well as fun and games with our amazing children ❤️

## World book day

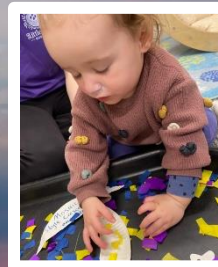

It was so lovely to see the children turn up in their favorite book character for world book day. We had so many Characters such as Spiderman, Princesses, Where's Wally, Dinosaurs and Teddy bears etc. Both children and Staff enjoyed reading our favorite books, circle time singing, face painting, and imaginative play.

Ramadan.

Baby room did an amazing collage of the crescent moon. They had so much fun sticking multiple colors of tissue paper on their paper, using great hand / eye co-ordination, expanding their concentration skills and decision making. Well done babies

## Happy St Patrick's Day

The children celebrated ST Patrick's Day by coming into nursery in their green outfits. The children have been learning about the colour green, and have participated in a range of activities involving the colour green.

**Baby room** - made some green playdough and showed great concentration and hand-eye co-ordination in rolling their dough to make shapes.

**Toddlers** - Investigated green numbers in which we posted into our mail box

**Pre-school** - Mixed a range of different shades of green, in which they created their very own green painting.

We also learned that the shamrock and four-leaf clover is considered to be lucky in Ireland.

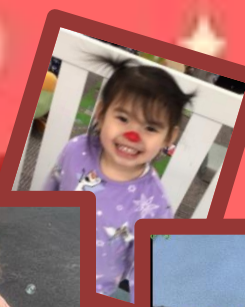

Today the children had so much fun celebrating Red Nose Day. The children and staff came to nursery in their cozy pajamas and had their noses painted red to resemble a funny nose,

The babies had lots of bubble fun in the garden and added red balls to match their noses, while the toddlers painted their own Pudsey bears, and played with the red shaving foam.

Preschool went to visit the park in which they played with bubbles and enjoyed exploring the wildlife, and painted their own red noses.

Thank you to our parents for the donations to the Comic Relief Charity. 😊

# Red Nose Day

We would like to Wish all our Mummies and grandmas a very happy Mother's Day. A big thank you to all the Mummies who came to join us for your special day. We had so much fun celebrating with you and hope you had a wonderful time.

The children thoroughly enjoyed playing and joining in a range of different special activities to celebrate This special event. Preschool made their very own presents for their mummies, while Toddlers made their very own perfume using pink water and petals. Mummies and babies enjoyed a very big circle time where we had fun singing and dancing. It was lovely seeing you all. ❤️

## Fees and Payments

To help us run the nursery efficiently all nursery fees are kindly requested to be paid monthly.

Fees are payable by BACS at the beginning of each month.

Parents are reminded that there will be a slight increase in fees from 1<sup>st</sup> April 2024 in line with increase in National Minimum Wage.

Ey Log is our online portal. We use this to share information about your child.

Every week parents will receive pictures and observations about children's learning at nursery.

All parents should have access to EY log. If you have trouble logging in or do not have an account,
