

# March 2025 Newsletter

Dear Parents and Carers,

A warm welcome to all our families who have started this term!

Our children have been involved in a wide range of learning experiences since the beginning of the term.

This month our Children have been participating in a range of exciting activities to enhance all aspects of their learning and development

## What's Been Happening

ST Valentines day

International polar bear day

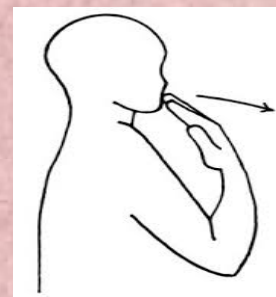

National nestbox week

Circle time fun

Bug exploring

**Makaton sign of  
the week.**

**Please**

## Pre-School

This Month in Pre-school we engaged in lots of fun and exciting activities celebrating ST Valentines day. We spoke about the people we care about and got lots of fantastic feedback from the children such as; "I love my mummy because she buys me sweets and gives my cuddles ❤️".

We Created pictures using heart designs and expended our creative imagination by turning our hearts into flowers. We created hearts onto pink paper plates and practice our cutting skills by carefully cutting around our shapes. 😊

## Toddlers

Our Toddlers had lots of fun creating their very own Valentine's Day cards. They made a large love heart picture, and got messy by drawing love hearts and shapes in the shaving foam.

## Babies

What a busy week for the babies. This week the babies made their own love heart collage by using great hand and eye co-ordination while sticking materials onto their creations.

They explored the colour Red, by finding as many red items as they could and adding them to our interest tray.

## National Nest Box Week

Preschool created a magical nesting box for our wildlife to nest in. they had so much fun painting, glueing and rummaging for twigs and leaves to make our birds feel cosey and snug.

Our babies showed their curiosity as they explored the many creepy Crawley's hidden in the grass

## International Polar Bear Day

### Pre-School

Preschool became very creative during Polar Bear week. The children participated in a range of art and craft activities to make their very own version of a Polar Bear.

### Toddlers

Our toddlers also did their very own version of their polar bears. By painting, sticking, and using a range of materials. We had so much fun 😊

# Dates for Diaries

## Spring Term 2025

**Tel: 07831 753 984**

## Fees and Payments

To help us run the nursery efficiently all nursery fees are kindly requested to be paid monthly.

Fees are payable by BACS at the beginning of each month.

Parents are reminded that there will be a slight increase in fees from 1<sup>st</sup> April 2024 in line with increase in National Minimum Wage.

Ey Log is our online portal. We use this to share information about your child.

Every week parents will receive pictures and observations about children's learning at nursery.

All parents should have access to EY log. If you have trouble logging in or do not have an account,
