

## Nursery Practitioner – Baby Room

Little Nest Nursery is seeking to appoint committed and dynamic Nursery Practitioners to work with our youngest children aged 3 months to 18 months providing nurturing care, play activities and supporting the EYFS assessment. The post holder will utilise their specific expertise in the care and education of babies. We are looking for someone with good communication skills at all levels in order to build relationships with children, parents and other members of the 3 Butterflies family.

### Key Responsibilities

- To provide the highest levels of care and education for all children attending the setting.
- Be a nurturing and positive influence on the babies in our care
- Be able to engage with, care for and inspire children
- Contribute to the day-to-day organisation and smooth running of our Early Learning goals.
- Be responsible at all times as part of the wider team for high standards of care and education of children between 3 – 36 months in accordance with statutory requirements
- Assist the other staff in giving regular feedback to parents about their child's development and progress
- Prepare the setting indoors and outdoors and ensure that it is safe, clean and tidy at the start and end of each session.
- Manage behaviour effectively to ensure a good and safe learning environment which facilitates children's autonomous, independent learning and enable children to maximise their full potential
- Work collaboratively and demonstrate a positive work ethic and strong team spirit.

### Additional duties and responsibilities

#### Essential

Only candidates with full and relevant 3+ in Early Years/Childcare/Nursery will be considered.
